## Employment

**SilentMonkeys**

721 W. Green St. Allentown, PA  
Votewise.net PHP/Web Developer  
January 2015-Present  
Volunteer/Internship

Works (weekends) on a political website collaborative project that aims to provide a local forum for people to discuss and vote on local issues. Uses various back and front end web software technologies for development of site.

**J. Knipper and Company, Healthcare Marketing Solutions**

309 Pierce Street, Franklin Township, NJ  
Data Entry/Administrative  
March 2015-Present

Enters HIPAA compliant data into various order forms to be sent to several medical establishments, and thoroughly checks previously keyed data to verify correct medication quantities, names, addresses, and other pertinent information.

**Iron Mountain Incorporated**

811 Route 33 Business, Freehold, NJ  
Document Specialist  
October 2012 - April 2013 & July 2014 - September 2014  
Supervisor: Randy Sinsel 732-863-4665

Collaborated in the workflow process involving the digital and/or physical storage of classified documents and medical records at a records management/information processing facility. Job roles included:

1. *Prepper*- Raw preparation of documents for scanning purposes.
2. *Q.C. Prepper*- Quickly reviewed the work of one or several preppers for Quality Assurance purposes and, when necessary, constructively criticized preppers in order to improve individual and workflow performance.
3. *Scanner*- Fed appropriate documents contained within a company box through a scanning machine into a computer database for digital processing, and created numbered batches in 'Batch Manager' software for conventional purposes.
4. *Q.C. Scanner*- Checked the quality of scanned documents using 'Batch Manager' software, recorded image counts on a labor tracking worksheet, and electronically split documents into several categories for validation and verification purposes.

**GENCO Product Lifecycle Logistics**

310 Blair Rd, Avenel NJ  
Warehouse Worker-March 2014 to July 2014

Worked in a distribution center largely centered around, but not directly owned by Amazon.com. Tasks involved: lifting heavy boxes from a truck onto a conveyor belt for processing and sorting packages into correct sections for eventual pickup by USPS trucks.

**United Parcel Service (UPS)**

1 Clover Pl, Edison NJ  
Driver Helper-November 1, 2013 to January 2014

Assisted the UPS driver with common delivery tasks, which included, but were not limited to: Dropping off residential packages, obtaining signatures for commercial packages with a UPS DIAD machine, and picking up boxes from businesses in the Metuchen/Edison and Sayreville/Parlin areas

during the busy holiday season. Customer interaction/service skills were additionally essential for the job role.
